Chairperson's Report:
Welcome to Green Point Terrigal Community Services Annual General Meeting for 2025.
It has been a busy year for the Committee and the Centre.
During the year we celebrated our 30th birthday with a wonderful attendance and entertainment and we also saw an increase in the number of groups and people wanting to book a place for their own celebrations.
As I said last year, it is still a challenge for the Committee to keep on top of all the requirements from government departments , insurers and ensuring our name is known in order to attract both new members and incoming Committee members.
Our volunteers have been doing an exceptional job as always with jobs such as looking after the Food Pantry, the little book library, and answering the many questions and booking enquiries from members of the public. The tax help and JP services would not be able to be provided without our great volunteers.
Our paid staff put in many of their own hours in addition to the paid work, and they are very dedicated to this centre. By now some would know that Marie is coming up to her retirement and we will celebrate her years of service closer to her last few weeks with us. Marie has been a great support to me in the role of Chairperson.
Jane in the meantime has taken up the role of Acting Manager until the end of the year and is doing a great job while being mentored by Marie.

This is my last year as Chair and I have to say I have enjoyed both the role and the people involved very much. Of course I will continue on the Committee and hope to see many more successful years for the Centre. Thank you for the hard work I have seen by many people and I hope to see that continue into the future.

Manager's Annual Service Report for period 1 July 2024- July 2025
Marie Leadbitter and Jane Eager presented the Manager's Annual Service Report.

Marie thanked those who have supported her, and this year was the 30th anniversary and her last year as Manager.

Jane talked about the community development work, the groups and programs that have been initiated in Terrigal.

Please read the full report in the Annual report.

- Manager delivered final report after 10 years in role.
- Celebrated 30th anniversary as major event of the year.
- Hosted multiple well-attended events, including Christmas Panthers and Christmas in July.
- Raised over $2,000 through school partnership and youth involvement.
- Expanded Indigenous consultations and increased venue hires, especially for children's events.

2025/26 Chairperson's Report

I welcome all to the Green Point Terrigal Community Services 31st Annual General Meeting in 2026.

It is a pleasure to be able to mention a few things in my time as Chairperson. We have replaced our Community Garden which opened in September 2018 with a Yarning Circle for Aboriginal and Torres Strait Islander people to pass on cultural knowledge and to come together as a community.

We have restructured our staffing as we farewelled our recently retired manager Marie after 10 years of dedicated service and welcomed Jane, previously our Community Development Worker, to the position of Manager. We also welcome Shiree to the new position of Administrative Assistant.

My thanks must go to our Volunteers without whom we would not be able to open our doors. We welcome our Hirers, both permanent and those who may use our facilities for one off events.

I cannot fail to mention my fellow Committee members who always have the best interests of the Community Centre at heart and who spent many hours this year updating our Policies and Procedures manual, so a big thank you to them and looking forward to another great year with everyone.

2025/26 Managers Report

Community Services

When organisations go through change, especially a change of leadership, it can come with some challenges however, it can also bring an opportunity for growth and a new ways of doing things. Marie will be greatly missed. The support and guidance she's given to me was invaluable while I've been learning the Centre Manager role and I wish her all the very best for her retirement. A very big 'thank you' for all she has contributed to the centre over the past 10 years.

We've had plenty of wonderful highlights during the 2025/26 year. The first that comes to mind was our involvement with the Aboriginal and Torres Strait Islander staff and students at Woodport Primary School. I spent many hours filming their Acknowledgement of Country. The end result is so beautiful and is played at the start of their school assemblies. Its lovely witnessing these children learn and grow in Culture and care for Country.

We were thrilled to be the recipient of the Stronger Community round 9 grant to help us upgrade our community patch and have a gorgeous Indigenous mural painted as a backdrop to the Yarning Circle that we've had established. We are excited to welcome our Indigenous partners to use the space.

Our parenting and children programs are still thriving in Terrigal with our 4 week blocks of Storytime in the Park, Baby Sensory, Baby Signing as well as our monthly Homeschool craft in the Park and school holiday programs all well attended. We've built wonderful connections with LifeStart who provide a supported playgroup at the centre and Central Coast Family Support Services who have run parenting programs with us.

We've had some wonderful students this year who were incredibly helpful with our Indigenous engagement and establishing our laundry program. Gabi even ran a Barista course for our homeschool teens. For them, we are very grateful.

We were thrilled to have been asked to partner with CC Marine Discovery Centre and Parklife coffee to organise the Lakes Festival Family Fun Day. What a fabulous turn out there was. Our connections with Terrigal High saw several music students providing entertainment and our jelly bean guessing competition was a crowd favourite.

Demand for our food pantry remains as the cost of living crisis continues. Provision of food is well supported through weekly Oz Harvest deliveries, Bikers Hands and Bakers Delight collections as well as a successful ClubGrant, which included 250 Christmas Hampers.

We couldn't possibly have achieved so much without our community partners and we are so grateful for the opportunity to build collaborative relationships with them.

A very big thank you to:
-our funding body The Department of Communities and Justice, in particular Sophie our CPO who has gently guided me into the manager role.
-our dedicated Management Committee whom always go above and beyond looking after the governance of the organisation. This year was a huge accomplishment completing the policies and procedure manual.
-our wonderful volunteers who make coming to work such a joy. My heartfelt thanks to all of them for their time and energy making the world a better place.

Retiring Managers Report

This year I have taken a step back as Jane took up the position of Acting Manager. It has been a year of tremendous changes for the service, and Jane will provide an insight into what has been achieved.

For me, I would like to reflect on more than 10 years of working as a Community Development Worker, Service Manager and, most recently, Admin Manager.

It is difficult to know quite where to begin.
How do you sum up so many years, so many people, so many challenges and, most importantly, so many wonderful memories? I find myself looking back not just at what we have achieved, but the people who have walked alongside me and helped make Green Point-Terrigal Community Services what it is today.
Over the years, the organisation has changed enormously. We have grown, adapted, survived some very challenging times and created new opportunities. But throughout it all, community has remained at the heart of everything we do.

Our Wonderful Volunteers
I particularly want to acknowledge our volunteers — both those who are with us today and the many who have been part of our journey over the years.
I stopped counting somewhere after 35!
I have had the absolute privilege of working alongside an extraordinary group of people who have freely given their time, skills, energy and, most importantly, their hearts to our community. Some stayed for a short time, others for many years. Some helped with programs, food relief, events, gardens and activities; others simply saw something that needed doing and quietly got on with it.

Thank you for the laughs, the ideas, the cups of tea, the occasional chaos, the willingness to have a go and the countless hours you have given to others. You have made my job easier, richer and much more enjoyable.
I hope you know how much I have valued the privilege of working with you.

Our Hirers
I also want to acknowledge our Centre hirers.
Over the years, I have built some truly wonderful relationships with the people and groups who have made Green Point Community Centre their home.
You are part of the fabric of our Centre.
We have shared conversations, celebrations, problems, laughs and plenty of quick chats in corridors and doorways that somehow turned into much longer ones!
Thank you for bringing life, activity and such a wonderful sense of community to our Centre.

Looking Back
There have certainly been some memorable chapters.

COVID was perhaps one of our greatest tests. Suddenly, the Centre could no longer operate in the way it always had. We needed to close the doors. Some hirers weren't able to return, others did, and slowly we found our way back.
But our food pantry continued. Alongside our wonderful volunteers, we devised an ingenious way to keep operating — drive through, open the boot, and we popped the hampers in!

We adapted because our community needed us.

Over the years, I am incredibly proud to have helped secure close to $1 million in grant funding. That funding helped transform our Centre and our services — including bathroom, kitchen and play area upgrades, the community garden, the coffee cart, programs, events and many other initiatives.
To see an idea become a reality, and to know that it has made a difference to people's lives, has been one of the most rewarding parts of my role.

Terrigal and the Fight for Our Service at GPCC
One of the most significant periods in our history came when DCJ ceased funding GPCC.
An incredible shock! But this chapter remains one of the achievements of which I am most proud — not simply because funding returned, but because we demonstrated the value of our organisation and refused to give up on the community we served.
Rather than accept that as the end of the story, we changed direction.
Establishing services in Terrigal was an enormous undertaking, but we were determined to ensure that the needs of our local Green Point community continued to be met. It took three years of persistence before DCJ ultimately agreed to fund GPCC again.

The Person Beside Me — Jane
When Jane joined the organisation four years ago, the load became lighter, I sighed a sigh of relief because the load was huge for a single staff member. Together, our service developed greater direction and continued to grow.
I have greatly valued working alongside Jane and seeing what we have been able to achieve together. I will miss our creative ideas "workshops", yearly planning sessions and family updates.
Jane now has free rein to put her stamp on a truly vibrant and welcoming space, but more importantly, to continue developing services and events across both Green Point and Terrigal and building those important community relationships.

To our Management Committee and Members of Parliament
I want to acknowledge the Management Committee members — past and present — with whom I have worked over the years.
The freedom and trust the Board has provided me have allowed ideas to become programs, grants to become buildings and facilities, and community needs to become services. None of those achievements belongs to one person. Together, we have created something very special — a service rich in community, connection and opportunity.

I would also like to acknowledge our local Members of Parliament, who have supported Green Point-Terrigal Community Services throughout my time here.
A particular thank you to our State Member, Adam Crouch, who has been a consistent local representative during my years with the organisation. Adam has supported us through funding opportunities, attended and spoken at events and community consultations, and has always been willing to listen, offer ideas and support local initiatives. I would also like to acknowledge our Federal Member, Dr Gordon Reid, for his support, and Lucy Wicks before him.
That ongoing connection with our local representatives has been valued, and I thank you all for your interest in and support of our community.

I will miss the people, the laughter, the challenges, the unexpected phone calls, the "quick questions" that were never quick, and the feeling of knowing that, in some small way, we were making a difference.
Thank you for allowing me to be part of it.
Thank you for your support, your friendship and your belief in what we were trying to achieve.

It has been an absolute privilege.

Community Services

CHILDREN'S BOOK COUNCIL OF AUSTRALIA

We have thoroughly enjoyed partnering with the CC branch for wonderful programs such as 'Talk Like A Pirate Day, Songs and Rhymes in the Park as well as Simultaneous Storytime. A big thank you to Claire for sharing her passion for children's literacy.

INDIGENOUS ENGAGEMENT

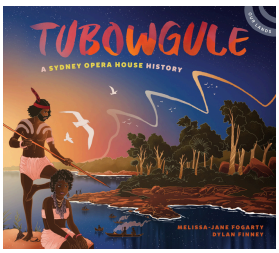

We were thrilled to be able to partner with Tim Freer videography and Woodport Primary school, filming and producing their Acknowledgement of Country.
We partnered with the Aboriginal Education Consultancy Group providing and cooking over 400 sausages for students and staff at the Tjudibaring Cultural Day.
We supported local Indigenous Author, Melissa Jane Fogarty to attend Woodport primary school, Goodstart Early Learning and Indigo preschool to read her beautiful books to the students and spend time celebrating culture with the students for NAIDOC WEEK

YARNING CIRCLE AND COMMUNITY PATCH

After a successful Stronger Communities Round 9 grant we were so thrilled to collaborative with our Indigenous partners to have an Indigenous mural painted and Yarning Circle built along with improvements to our community patch. A big thank you to Dave O'Brien from Developing Leaders for your hard work, Jackson from Puwampi and Lyle from Bara Barang. We are looking forward to welcoming more Indigenous groups to the centre to utilise this space.

CHRISTMAS HAMPERS

Thank you to Club Grants we were able to purchase 250 Christmas Hampers to share the Christmas spirit with our community members and partner organisations.

PINK MORNING TEA

With the support of Gittoes, we held a beautiful Breast Cancer breakfast. Our guest speakers inspired all of us as they walked us through their journeys, reminding us to all check our breasts for early detection.

BARISTA COURSE

Our fabulous student Gabi introduced a groupp of homeschooling teens to the ins and outs of the coffee bean. This culminated in the opportunity to make their own cups of coffee for their mums to enjoy.

BRING BACK THE VILLAGE- SUPPORT FOR NEW PARENTS

Our young babies programs are always so well attended in Terrigal..... Rotary park is so beautiful especially in the autumn and spring sunshine.

TERRIGAL HIGH BREAKY CLUB

With the support of Terrigal Wamberal Lions, Bakers Delight and Oz Harvest we deliver food to the wellbeing team at Terrigal High. I'm always met with smiling teachers and students. The food consists of museli bars, Up and Go's, poppers, bacon and cheese scrolls, fresh fruit, pastries and feeds approximately 50 students per week..

CRAFT IN THE PARK
PRIMARY HOMESCHOOL GROUP AND HARMONY WEEK

Each month we have between 20-30 homeschooling families turn up for Craft in the Park. The kids have a wonderful time working on their masterpiece followed by time in the park with friends (and I think the parents have just as much fun catching up as the kids do)

NEIGHBOURHOOD CENTRE WEEK, POP UP TABLES AND CHRISTMAS MARKETS

We've enjoyed sharing our programs and services with our community at regular pop-up tables at Green Point Shops, Terrigal Rotary Park, local preschools and Erina Fair

SUNDAY SEWING

Our intergenerational Sunday Sewing group led by Jeanine and Moira are always a busy and productive bunch. They were incredibly generous sewing up beautiful Christmas gifts as a fundraiser for the centre's market stall.

SCHOOL HOLIDAY PROGRAMS

Green Point • Terrigal
Community Services

Our school students have been well catered for with fun activities for the school holidays. We have done everything from story time, art, craft, pot planting, sewing and fishing.

OPENING OF TERRIGAL COMMUNITY GARDEN

We were thrilled to attend the opening of our old friends 'Terrigal Community Garden' open day. What a proud moment for all those involved in its establishment, both past and present

THE LAKES FESTIVAL FAMILY FUN DAY

What fun it was to see hundreds of locals enjoy the Lakes Festival Family Fun Day in Terrigal. We were on the planning committe with CC Marine Centre and Parklife coffee to make the day come to life.
A big thank you to Dana and Oz and their hubby's for making the day so successful.

WEEKLY FOOD PANTRY

Through the dedication of our Monday and Tuesday volunteers, the expertise of Jen our Friday cook extraordinaire and the generosity of Bikers Hands, West Gosford Bakers Delight and Oz Harvest as well as our successful Club Grant, the weekly food pantry is always a hub of activity. With between 15-30 clients every week, as well as providing Emergency hampers, the food pantry is of invaluable assistance to our local community.

The Bikers Hand

BOOK SWAP

Our well utilised book swap couldn't function without the dedication of Geoff our wonderful volunteer, as well as the generosity of our community donating books and puzzles. .

TAX HELP

2025 saw Johan providing Tax Help to over 50 clients. We are so grateful for his expertise and community heart

VOLUNTEER WEEK

CHRISTMAS PARTY

We love returning Volunteers who catch up for a cuppa and to see how we're doing.

Iris lives up the northern NSW but when she's down visiting, loves to pop in. She's well over 90 now but life is not slowing her down!

This year has seen sadness too.
Our founding Coordinator, Judith Vales, and a much-loved volunteer, Ros sadly passed away.

Both contributed so much to the Centre. Judith played a significant role in shaping the early years of the service when it was established in 1994, helping to lay the foundations for the organisation we have today.

Their contribution to our Centre and our community will not be forgotten.

TREASURERS REPORT

TREASURER'S REPORT: Green Point - Terrigal Community Services

Reporting Period: Financial Year Ending 30 June 2026
Presented At: Annual General Meeting on 14 October 2026

I am pleased to present the Treasurer's Report for the 2025–2026 fiscal year. Overall, the organisation is now in a stable financial position. Our primary focus this year was on ensuring long - term sustainability while funding our core community initiatives.

Through careful cost management and consistent revenue streams, we achieved a net deficit of $4.7k, compared to large deficits culminating in our net assets decreasing by 71% over the previous 4 years.
An encouraging aspect of the past year has been the significant increase in rental takings of $13000. This was due to an increase in bookings and an increase in hiring rates. The Management Committee has temporarily paused increases for this fiscal year in recognition of increasing cost of living pressures in our community. There will be a review of the rates later this fiscal year as we are subject to cost pressures like the general community.
The managers, Marie and Jane, have been able to rein in costs particularly in the IT and utility areas. Their efforts are greatly appreciated.

Of course, regardless of cost controls and revenue increases our organisation would not survive without our fabulous volunteers who turn up week in and out to give their time and expertise.
I also wish to acknowledge the support of Kelly Martin (bookkeeper) and Brown Partners in ensuring our finances are correctly recorded. Thank you to DCJ, Central Coast Council, Davistown RSL, Adam Crouch, Liesl Tesch and Gordon Reid for their support of our community.

Our current assets increased by over $15 000 to 37952.05. Our Fixed Assets decreased by over $25400 to $1228.42. This was due to no depreciation of our assets recorded since the organisation moved to using Xero as our accounting system. Our assets should have been depreciated at around $5000 p.a. in the interim years. We expect large cost pressures from rising council rents; large CPI increase in wages and associated costs this financial year. We also anticipate that cost of living pressures may cause a greater need for our Food Pantry from those most affected in our community.

Our new permanent manager Jane has already instigated extra sources of funds through a number of fundraising initiatives. I am looking forward to consulting with our new Administrative Assistant who will be working with Jane on day - to - day administration.
